Natural rubber doormat gives dirt the brush-off

- Flexible rubber nodules deliver excellent dirt scraping and trapping action.
- Dirt is effectively brushed off then retained in a solid base, keeping floors cleaner for longer.
- Suitable for offices and other commercial buildings, especially where mud and debris often end up indoors.
- Suitable for most weather conditions, making it ideal for outdoor use.
- Slip-resistant base, with bevelled edges, to help retain position and reduce tripping hazards.
