

Book 4: Is it true?

Erin was scared that baby Jack had tottered into the pet hamster's cage.

She was clambering across the cage, but fell into it! Jojo, the rabbit, was munching on a red apple when Erin landed next to him! Luckily he did not hurt her. Erin made a plan that involved Jojo. She helped Jojo chew his way out of the cage.

The two of them searched for Jack. Erin made a saddle from a plastic bag and rode on Jojo's back to the top bedroom. She heard Jack crying. He was in the bath!

Erin used a rubber ring to help Jack float up and out of the sink. She was so relieved to see him alive and well.

Erin did not know that Jack had ridden upstairs on the back of a black beetle!

There are 7 things in the story above that are not true.
Can you spot them?

Ask the student to read the text carefully and circle any false information that has been planted in the story.
