

Buying dining furniture is an investment, so it's essential that you achieve a solution that meets your needs and delivers good value for money. Spaceright Europe Ltd are experts in the manufacture and supply of innovative dining solutions and understand the importance of robust product design, quality and service.

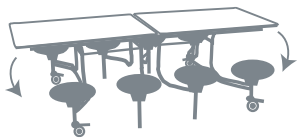

What to Consider Before Buying

The key factors to consider are:

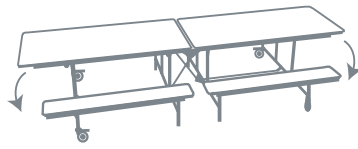

- Age range of the children
- Maximum number of children to be seated at any one time
- Space restrictions and movement of traffic around the dining hall (entrances, exits, queue lines etc.)
- Storage requirements (Will the tables be left in situ? Do they need to be stored in between use? If so, what storage is available?)

Types of Dining Furniture Solutions

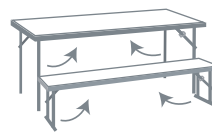

Spaceright Europe Ltd offer a variety of dining solutions to cater for varying age, seating and space requirements.
